

New Jersey's Choice for Award-Winning Smiles

A beautiful smile is an indicator of good oral health. It also boosts confidence, improves self-image and gives self-esteem a lift. Discover advanced technology and state-of-the-art treatments to give you an amazing smile.

At Milestone Orthodontics, we know how a beautiful smile contributes to better well-being. That's why we provide revolutionary orthodontic services to give you exceptional results.

We are an Elite Preferred Provider of Invisalign, offering the highest quality of smile-enhancing treatments. Using Invisalign, we can help you improve the feel, look and function of your smile. Compared to conventional braces, these invisible aligners are easy to remove, clean and maintain.

Experience comprehensive orthodontic care in a relaxed environment. At Milestone Orthodontics, we'll give you the beautiful, healthy smile you've always wanted. To schedule your visit, call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.
