

New Jersey's Choice for
AWARD-WINNING SMILES

A man and a woman are smiling and posing outdoors. The man is on the left, wearing a light blue button-down shirt under a grey sweater. The woman is on the right, wearing a grey long-sleeved top over a white tank top, with her hand resting on her chin. They are both looking towards the camera.

New Jersey's Choice for Award-Winning Smiles

A beautiful smile is an indicator of good oral health. It also boosts confidence, improves self-image and gives self-esteem a lift. Discover advanced technology and state-of-the-art treatments to give you an amazing smile.

At Milestone Orthodontics, we know how a beautiful smile contributes to better well-being. That's why we provide revolutionary orthodontic services to give you exceptional results.

We are an Elite Preferred Provider of Invisalign, offering the highest quality of smile-enhancing treatments. Using Invisalign, we can help you improve the feel, look and function of your smile. Compared to conventional braces, these invisible aligners are easy to remove, clean and maintain.

Experience comprehensive orthodontic care in a relaxed environment. At Milestone Orthodontics, we'll give you the beautiful, healthy smile you've always wanted. To schedule your visit, call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

The Best Orthodontist for You and Your Child

Choosing the right orthodontist is crucial to your overall oral health. At Milestone Orthodontics, can look forward to a pleasant experience and gentle care to bring out the best of your smile.

Manned by a well-trained, highly motivated staff, we are focused on creating a pleasant, friendly atmosphere where you will feel comfortable during your stay with us.

Our board-certified orthodontist, Dr. Matthew Milestone, provides complete diagnosis, thorough exams and comprehensive treatment to improve the look and health of your smile. If you're looking for advanced, personalized care, feel free to visit us. Patients of all ages are welcome.

Get relief from your orthodontic problems through leading-edge treatments. Experience the award-winning smile difference. To schedule your visit, call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

Adult Orthodontics

It's never too late to have a beautiful, healthy smile. Let a new smile begin!

At Milestone Orthodontics, we can dramatically improve your smile. We treat the most common causes of irregularities in the teeth, jaw and bites that are causing your orthodontic problems.

Using advanced techniques and state-of-the-art technology, we provide gentle yet effective treatments that are designed to reduce discomfort and ensure exceptional results. Our treatment programs are also aimed at decreasing the frequency of visits and shortening treatment and recovery time. All these options are available to you when you come and see us.

It's never too late to improve your smile. Schedule an appointment with Dr. Matthew Milestone and discover the award-winning smile care difference. To schedule your visit, call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

Invisalign® for Teens and Adults

Straightening your smile has never been this easy, pain-free and convenient. With Invisalign, you can have a beautiful, healthy smile without metal wires or bulky brackets in your mouth.

Invisalign is virtually invisible. Unless you tell them, no one will know you're straightening your teeth. You can eat, brush or floss without removing the aligners. And should you want to remove them, you can easily take them out.

With Invisalign, you'll be smiling the best smile you've ever had. If you want to know if you're an ideal candidate for this type of orthodontic treatment, get an expert opinion from Dr. Matthew Milestone.

You owe it to yourself to experience the latest orthodontic technology and treatments. Give yourself the gift of beautiful, healthy smiles at Milestone Orthodontics. To schedule your visit, call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

Early Preventive Orthodontics

Early preventive orthodontic treatments are centered on correcting abnormalities in jaw growth and bite problems. Through early intervention, it's easy to fix their irregularities and eliminate the chances of preventable tooth extractions in the future.

- ▶ Reduce the risk for crowded or erupting teeth
- ▶ Facilitate proper jaw growth to create facial symmetry
- ▶ Prevent the front teeth from protruding
- ▶ Eliminate the need for teeth removal
- ▶ Prevent malocclusions

Avoid future orthodontic problems that severely impact the health, function and appearance of your smile. When you need early preventive, non-extraction care that's focused on ensuring long-lasting good oral health, look to Matthew Milestone, DMD.

Your child could benefit from early orthodontic treatment from Dr. Milestone. To schedule an appointment, please call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

Effective TMD/TMJ Treatments

Your jaw is a delicate and very complex facial feature. Two of the most common jaw conditions are TMD (temporomandibular disorder) and TMJ (temporomandibular joint) problems. Symptoms can range from mild to incapacitating.

Through leading-edge treatments, Dr. Matthew Milestone can eliminate these debilitating symptoms. Free yourself from chronic jaw joint pain and headaches that prevent you from enjoying a better quality of life.

Dr. Milestone offers exciting new dental technology to treat TMD and TMJ problems. One of these innovative treatments includes the use of the patented TruDenta® system with T-scan technology, which helps create accurate 3D models of actual bite forces. With TruDenta's impressive accuracy, Dr. Milestone can effectively identify the problem areas of the jaw.

Receive your complimentary consultation with Dr. Milestone by calling our office at 973.325.1777 (West Orange) and 201.845.8411 (Paramus). For your convenience, use our online Request an Appointment form.

The Latest Orthodontic Technology

Milestone Orthodontics is equipped with state-of-the-art technology for faster, more convenient treatments and gentle care that's focused on your needs. We have an in-house laboratory, furnished with the latest equipment for efficient, effective delivery of high-quality orthodontic care.

- ▶ 3D cone-beam CT imaging
- ▶ AcceleDent® technology
- ▶ TruDenta® system with T-scan technology
- ▶ iTero® scanner

Invisalign Difference

If you're considering orthodontic treatments to straighten crooked or misaligned teeth without the use of bulky metal braces, you might want to look into Invisalign. It's a state-of-the-art, teeth-straightening technology that uses clear, customizable aligners. Virtually imperceptible, nobody will notice you're wearing them.

Speak with Dr. Milestone to learn more. To schedule an appointment, please call 973.325.1777 (West Orange) and 201.845.8411 (Paramus) or use our online Request an Appointment form.

A Great Patient Rewards Program

Patients receive a card that entitles them to gift cards when they achieve milestones such as:

- » Great brushing habits
- » Nothing loose or broken
- » Community service
- » Referring friends and family
- » Being on-time for appointments
- » Wearing orthodontic appliances properly

To learn more about our Patient Rewards Program, give us a call at 973.325.1777 (West Orange) and 201.845.8411 (Paramus). For your convenience, you can use our online Request an Appointment form to schedule your visit.
